Yesterday was an amazing day! My best friend Emma came to visit me. She lives in Canada, like my aunt. I had visited her there in 2010.

Emma has long blond hair and green eyes. She speaks French and Spanish fluently. In her free time, she likes dancing, and she is learning to play the piano, which is great because I love dancing and music too.

We spent the whole day together, went to a café, and watched a movie. Emma invited me to visit her in Canada. I really want to go! My parents said it's possible, so now I am saving money!
